Hy-Vee's Prescription Program Rules

Hy-Vee's Prescription Program (the "Program") is available at all Hy-Vee, Hy-Vee Drugstore and Hy-Vee Health Market pharmacies ("Hy-Vee Retail Pharmacies"). The Program applies to certain generic drugs at commonly prescribed dosages. You may obtain a list ("Retail Drug List") of these generic drugs and dosages covered under the Program on hy-vee.com or at a Hy-Vee Retail Pharmacy. The Retail Drug List of covered generic drug and dosages may change over time and may vary by state. Not all formulations of a drug (for example, enteric-coated, extended or timed release formulations) are covered under the Program. Program pricing is not available for covered drugs dispensed as part of a compound.
